

# MIRAGE<sub>water Cooler</sub>

**The best of both**—eliminate heavy-lifting of five gallon water bottles with bottom-load access or connect direct to a water line to dispense fresh filtered water—this flexible water dispenser provides hot or cold water on-demand through either source.

## Mirage Features

- Stylish design to match contemporary kitchen and break room decors
- Stainless steel reservoir & hot tank
- Bottom Load, no lifting heavy bottles/  
Convertible to POU with included parts
- Black with stainless steel accents
- Three temperature cooling—  
Hot, Cold, & Room Temp
- 3-year limited warranty
- Models:

Black Mirage - MIR311D-3 BLK

# Mirage specifications

*Stylish contemporary design fits well in kitchen and break room decors.*

**Dual Dispense** option lets you use water bottles or plumb directly to a water line

**Cabinet:** High-impact polymer on top, base and front panel.

**Cold Water Refrigeration Unit:** Convection cooled condenser. Internally spring mounted, hermetically sealed compressor with automatic overload protector. No lubrication needed. Refrigerant is accurately controlled by a capillary tube.

**Cold Water Reservoir:** Type 300 series stainless steel. External copper refrigerant coil. Encased in pre-fitted molded plastic foam insulation.

**One-Piece Hot Water Tank:** 500 watt heating element. One piece tank is easy to replace or service without breaking soldered refrigeration connections. The hot tank is type 300 series stainless steel.

**Hot Water Capacity:** 45 x 6oz. cups of piping hot water per hour. 1½ quart storage tank.

Dimensions: W 12.25" x D 13" x H 41"

Dispense Height: 8.5"

Approximate Net Weight: 37 lbs.

**Hot Water Safety Faucet:** Self-closing activation requires a two-step action that's easy for adults to use, but protects small children.

**Drip Receptor:** Durable drip tray lifts out for easy removal and is dishwasher safe.

**Electrical:** 115 volts, 60 Hertz. Water cooler compressor 1/20 hp. Three wire service cord and polarized plug furnished.

**Lead-Free:** Components in this water cooler are lead-free as defined by the Safe Drinking Water Act Amendments of 1986 and the Lead Contamination Control Act of 1988. Model Listed by Underwriter's Laboratories to U.S. and Canadian Standards.

**Optional Water Filtration:** Filters reduce sediments, chlorine, bad tastes and odors from water. Filters are easy to access for simple filter changes.

**Warranty:** Limited 3 year warranty (*within the Continental Limits of the United States and Canada*). Three years on the sealed refrigeration system, one year on most component parts. Detailed warranty certificate enclosed with each water cooler; sample copy available upon request.
